ANACO-HUSKY COUPLINGS

Anaco-Husky has offered a complete line of Standard No-Hub couplings since 1963. Anaco-Husky produces the broadest line of couplings for connecting cast iron in DWV systems, as well as connecting cast iron to virtually all types of DWV pipe and fittings.

TYLER PIPE

US based manufacturer of cast iron pipe and fittings. Tyler Pipe and McWane are your trusted providers of guaranteed American-made products and committed to American workers and American Industry.

INTELLIHOT

Intellihot Commercial tankless water heaters perform to nearly impossible standards. As robust as diesel engines, Intellihot systems are built for cutting-edge operations. Reliability is designed into every inch, from maintenance-free heat exchangers to systems that deliver industrial water capacities without risk of single-point failure.

DURA-TRENCH

Quality commercial grade Dura-Trench drain products are available nationwide with rapid delivery from our extensive inventory. With over 200,000 square feet of manufacturing space across the USA we are equipped to build your next linear drain system. Dura-Trench offers trench drain, slot drain, stainless trench drain, curved and radius trench drain and curved and radius utility trench drain.

AQUA DESIGN

Offering commercial plumbing fixtures that look modern, are easy to clean, and are made from anti-bacterial materials. Products include health care fixtures, wash basins & stainless sinks, wash fountains and lavatory systems to name a few!

SANIFLO

Saniflo offers a wide range of macerating and grinding pump systems & drain and condensate pumps. With Saniflo above-floor plumbing technology you are no longer limited to locations where downhill drainage or gravity evacuates waste. You don't even need to be in close proximity to the main waste pipe. Saniflo makes it simple!

STINGRAY SYSTEMS

Tepid is the "safe zone" of temperatures for emergency drench shower and eye/face wash solutions. Stingray Systems serves North America's commercial & industrial professionals so you can select, specify, quote, and install the best tepid water solutions for your customers.

JOMAR VALVE COMMERCIAL/MECHANICAL CONTRACTOR & ENGINEERING SPEC REP
